Ski Club Poetry 2009

The grand old Duke of York
He had ten thousand men
He marched them up to the top of the hill
Then he marched them down again
And when they were up, they were up
And when they were down, they were down
And when they were only half-ways up
They were neither up nor down

- Fancy a cup of tea Caroline ?
- What have you got ?
- What do you mean ?
- What type of tea ?
- Huh ?
- Have you got Earl Grey ?
- Who's he ?
- Earl Grey is a tea blend with a distinctive flavour and aroma derived from the addition of oil extracted from the rind of the bergamot orange, a fragrant citrus fruit – put that in your pipe and smoke it !!
- Go make it yourself so !!
